

SERVICE OVERVIEW

# Migrate FirstDoc to OpenText Documentum D2

FirstDoc to Opentext Documentum D2 Migration and Solution  
Configuration Service

Decrease **costs**

Reduce  
**custom coding  
requirements**

Speed **deployment**

Improve  
**consistency**

Through simplified information management and wider user adoption, Documentum D2 provides greater consistency of enterprise content management rules and policies. It decreases employee training costs and eliminates FirstDoc maintenance
